

Phase II and Phase III Project Cover Sheet

All information contained within the individual site database and inventory sheets is solely the work of the researchers and authors noted below. The data provided has been culled from the original site reports noted below and in many cases has been lifted directly from them with little or no editing. The database and inventory sheets are meant to serve as a synopsis of the report findings and a finding aid and are not intended to replace or republish the research of the authors noted below.

REPORT INFORMATION:

1994 Cronise, E.
Site File for Queen Street Lot 23 (18BC52).

Research Firm/Institution:

Baltimore Center for Urban Archaeology
800 E. Lombard Street
Baltimore, MD 21202

Library ID No: 18BC52 SF Catalog/Shelving ID: Site Files

Sites examined:

18BC52

Project Details:

Phase I

Project Justification:

Phase II

The site file for 18BC52 contains a very brief report on the Phase III investigations conducted at the site in 1984. No final report was ever written as the property owners and financial backers of the project went bankrupt in 1987.

Phase III

MAC Accession: 1985.016.002

Project Objectives:

-Recover as much archeological and historical data as possible to aid in understanding and interpreting late 18th and early 19th century residential life in Baltimore.

Research Potential:

Very little information on Site 18BC52 is documented at MHT. Today the site is the location of a large a mixed-use building. The impact of the construction of this building is not known, but likely destroyed any remaining elements of the site.
